

## **Supplemental Instruction for Double End Hinge Staging**

**2" Track Hinge  
Staging Chart for  
18", and 21" section  
count (AR-25, RP-  
25, LP-25 TR-2000,  
and CT-24) Starts at  
10 sections high.  
1,1,2,2,3,3,4,4 etc...**

**All doors 3" Track  
Hinge Staging  
Starts at 8 sections  
high.  
3,3,4,4,5,5,6,6 etc...**

(See figure 1 for  
example)

**This example is for a  
TAS-III with 3" track  
(11 sections) 22" tall.  
Your door may start  
with a #1 hinge if it is  
a 2" track.**

**\*\*\*\*If converting from  
a single stage hinge  
setup to a double  
stage, you must  
move your horizontal  
angle to the two inch  
hole in the horizontal.**
