# STANDARD+ PRODUCT INFORMATION

Vog, 10' x 8', Iron Ore, window layout: Right-side Harmony, Slim Windows with White Sandblasted glass

## 3 layers, polyurethane insulation, R-16

- 1 Polyurethane insulation acts as a thermal break to prevent transfer of cold or heat
- 2 InterLok™ joints block air infiltration for superior thermal insulation
- 3 Wood end blocks are one of the most effective thermal breaks

### Sizes

Widths from 5' to 18', in 1" increments. Heights from 6'6" to 8', in 3" increments. See your garage door dealer for more details on oversized doors available.

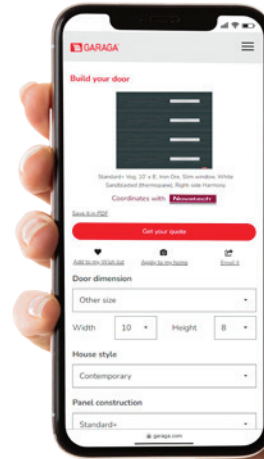

### Warranty

Door sections: limited lifetime  
Hardware: 1 year  
Weatherstripping: 1 year

Windows: 10 years against seal defects  
1 year for thermal break

For all technical specifications for the Standard+ and the latest updates, visit [www.garaga.com](https://www.garaga.com). Garaga has established continuous improvement programs for all its products. As a result of this ongoing quest, technical specifications for various doors are subject to change without notice. The door colors and the windows shown are as exact as printing techniques will allow. Please request an actual color sample. In addition, the clarity of both the designs and the wood grain of the doors is optimized to provide a photographic rendering. It is therefore not identical to the actual appearance.
